To whom it may concern:

I am pleased to write this letter of recommendation for Grzegorz Dziemidowicz. Grzegorz worked for me in the Internet Cafe at Netstream (London) for 2 month this summer. He began here as shop manager and continued to serve with increasing skill in that capacity .

During Grzegorz's service with us I admired him for his many valuable qualities, and regarded him with evermore respect. Very goal oriented, Grzegorz was always punctual, yet easygoing. He was very much a people person

Grzegorz demonstrated from early in his tenure that he understood what business is all about. He thrived under adversity. He was quite aware of the bottom line, and had a knack for recognizing and eliminating waste. I suppose doing well in business is easy if you are, as he was, efficient by nature.

I would like to be very clear about why Grzegorz is no longer with us. Grzegorz is available for new challenges only because of his desire to go back to his native Poland and continue his education. We would have loved to see him stay, but certainly understand his need to advance beyond the positions we have available.

In closing, let me say I have no hesitation in recommending Grzegorz Dziemidowicz for any management position in retailing. I feel confident he would be an asset to your organization.

Sincerely,

Alex Dolgov
